Your Name-TD

If your name appears in green with an -TD that means that I am asking you to Field Marshall that game as well. The fields are close together and should not distract from observing the game you chose. Thank you

## INSTRUCTIONS

It is requested that you volunteer for two games in a row. For example volunteer for the 9:30 am game on Field # 1 where you have a child playing and the game after it or just before it. If you can't do that select two fields next to each other at the same time. Write down the game numbers that you will volunteer for then go back to the parents page and Click on "Click here to volunteer"

Fields adjacent to each other are:

1-2 // 3-4 // 5-6 // 7-8 // 9-12 // 10-11
